I have been swimming for about 8 years. I swim for Curl-Burke Swim Club and have been since I was 8. For me, being a PVS Representative is about making our LSC a better place for competition and of course also fun and exciting. What I would like to do as athlete representative is take in feedback from swimmers and suggest ideas to make PVS better. I do not see any major problems with PVS as a whole, but I have had some complaining about too many swimmers attending meets, which is something that I would like to work on. Also I would also like to push for more promotion of diversity meets such as the Black History Meet. Also my final goal would be to promote swimming to the public through programs such as Nadar Por Vida (which is a wonderful program teaching eager kids the basics of the sport). I love swimming and I want to show people how, through swimming, a whole world of potential is opened up to someone.
