

Guest Wi-Fi Access

Have guests coming to visit?

Are you a Mason guest who needs Internet access?

Guests can now **self-register** for an **account** to access Mason's wireless network!

Supports 3 concurrently connected devices

Accounts valid for seven 7 days

Account information emailed to guest directly (or texted!)

Guest Wi-Fi Self-Registration

1. On your device, select **MASON** as your wireless network
2. Go to your web browser and enter **itservices.gmu.edu**
3. The **self-registration portal** will appear
4. Click on **Create an Account** and enter your information to complete the self-registration
