### TEAM AREAS-

We are asking coaches to assist us with ensuring that we keep the circulation of the air the best in the facility. We must stress that athletes MAY NOT SIT IN THE WINDOW SILLS OR PLACE THEIR BAGS THERE ON THE VENT. Covering these vents directly relates to poor air circulation.

## **ATHLETE DROP OFF-**

Athletes may be dropped off at the back of the UMD facility at the athlete drop off area. There will be UMD event security assisting with drop off and they will ensure that traffic continues to move.
