CLUB INCENTIVES

Potomac Valley Swimming awards the LSC hosted meets to member clubs by the clubs volunteering to host the meets. Both the open and championship meets are managed by our member clubs. The clubs are paid to host the meets based on the number of splashes that each meet contains. This is a great incentive for clubs to be involved in the LSC and to raise money for programs for the individual clubs. The LSC hosts 21 meets throughout the year and 15 clubs participate in the meet management (39%).
