Potomac Valley Swimming Competition Committee Meeting June 7, 2021 Video Conference

- Attendance See attached report
- The meeting was called to order by Senior Chair, Evan Stiles, at 7:35 pm
- Motion to approve the minutes for the April CCM, seconded and approved.
- 2021-2022 Club meet Schedule The proposed club meet schedule for the 2021-2022 season was presented to the Committee.
 - Motion to accept the meet bids as proposed, seconded and approved as presented.
 - Club meet requests for the 201-2022 season were collected through a Google form. The meet schedule was presented.
 - Are we able to handle 6 meets in one weekend?
 - Many clubs and/or facilities have their own equipment, so for those who don't, the PVS equipment is available. Officials may be the bigger obstacle. We hope that more and more officials will start officiating again, once we are back to a more normal swim schedule.
 - PAC asked to remove their request for the Penguin Holiday meet in December.
 - Can we add a notation for Prelims/Finals and age groups for mini meets?
 - Yes, we will add that information.
- 2021 Summer LC Meet Update Evan presented; a Task Force was established and has been meeting to plan the LC Championship meets. Both meets are planned for July 15-18. SNOW will host Senior Champs at Claude Moore and NCAP will host AG Champs at Freedom Center. Both meet announcements are in the final stages of approval and will be ready for posting later this week.
 - Age Group
 - Time standards: 13-14 AA, 11-12 A, 10& U 5% slower than A
 - Standard LC Age Group Champs format: Sat timed finals, Thurs, Friday, Sunday prelims/finals
 - Senior Champs
 - Now that VA has opened things up a bit, we should have more space.
 - SCY conforming time and LC times will be used as qualifying times. 4 day format.
 - Any thoughts on what we do with the other athletess that do not qualify for Senior Champs?
 - There was a discussion as to what coaches were looking for in terms of a Junior Champs style meet. Ideas were shared.
 - A meet host will need to be found.
 - Evan and Kelly and Erik will work on the meet announcement.
 - Numbers can be run to get an idea of how many will qualify.
 - A task force meeting will be set up to make decisions and plan a meet.
- 2021 Summer LC Zone Team Update Morgon Henderson-Kunz reported
 - LC Age Group Zones is scheduled for August 4-7 in Richmond.
 - Athletes will be traveling with their families, there will be no team travel, no chaperone, no buses.

- There are no time standards. We are thinking to use an open application process then pick from the application pool.
- VSI is still making final decisions at their upcoming Board Meeting. It is believed there will not be any relays and 3 splashes per day allowed. VSI did reach out to every LSC and they are all planning to participate.
- Do we as an LSC want to decide how we choose the swimmers? 12 per day? Or 12 total per ag/gender.
 - The general consensus is to allow 12 per age group, gender and day. This will allow more swimmers to be able to participate, especially those who specialize in only one event/stroke.
- There was a discussion as to the best way to handle the application process.
 - During the previous task force meetings it was determined not to make the Age Group Champs Meet a "Zone Qualifier".
 - Many feel it should be open to a qualifying time period not a specific meet.
- We will need one coach per age group which will help give the meet more of a team feel.
 - Erik commented that he and Morgon have been looking for Zone coaches.
 - One head coach and then one per age group.
 - PVS will reimburse for hotel, mileage and pay coaches a stipend. We will get final approval from the Board. But plan to have expenses paid for.
 - Morgon indicated he was willing to be both Head Coach and Team Manager, but it was agreed that it would be better to split the jobs.
 - A Flash Mail will be sent to ask for coaches.
- Motion that the Zone Team is selected using an application process, seconded and approved.
 - Zone meet announcement will be sent out once received.
- Any old or new business
 - Which meets are eligible for Travel Reimbursement this summer?
 - Olympic Trials, Open Water Nationals (will confirm), Futures (will confirm), US Open/Nationals.
 - Can swimmers double dip for Trials and Nationals. We will need to look back at P&P on this.
- The meeting was adjourned at 9:11 pm by Evan. Motion to adjourn, seconded and approved.
