

## The FISH Swim Team – Hourly Position Available

The FISH Swim Team is looking for reliable, enthusiastic coaches to fill a part-time position with our 8 & Under developmental group! This group is one of the foundations of our program; and is a great opportunity to work with some up-and-coming young kids with a lot of enthusiasm for the sport. The position is 5 hours per week, with the option off adding more hours at swim meets, and hourly pay will be commensurate with experience.

The FISH Swim Team is 350 swimmers strong, with levels ranging from novice 8 & Unders to Olympic Trial qualifiers, located in McLean, VA. We are looking for someone to join our coaching staff who is just as passionate about the sport as we are, someone who is dynamic and willing to learn, and who is dependable and reliable.

If you are interested in joining a fun and competitive team – contact Managing Team Director Monika Paris at [mparis@pvfish.org](mailto:mparis@pvfish.org) with a cover letter and resume.
