November 2015 Issue

Welcome to the 2015-2016 Swim Season (Year of Olympic Trials!)

Asking for your opinion:

PVS will be asking coaches, officials, and swimmers about the swim meets they attend each month. The survey for the October 2015 meets is available. A link to the survey can be found on the PVS website on the HOME page and is provided below.

The survey is meant to be a way for every coach to give their feedback on how the meet ran without having to identify themselves. The only identifying information that is asked is what team you coach for and will only be used to make sure that the PVS Board of Directors is receiving feedback from every PVS club.

Please check out the PVS website for a link to Legislation adopted at 2015 USA Swimming HOD that are effective **immediately**:

Below are two of the effective immediately rules that may affect your team:

R-11 Representation

One hundred twenty (120) consecutive days rule was clarified. Swimmers will be unattached for 120 days starting the day after the last date an athlete represents one club at an open competition. An open competition is any sanctioned PVS meet that is not an intrasquad swim meet.

R-12 Eligibility

No Member of USA Swimming is able to coach, train, or provide swimming related advice or service to any swimmer who is serving a period of ineligibility or provisional suspension.

Non-Athlete Registration (Coaches/Officials) Information:

Unattached Renewing Coaches should use the online form for their Non-Athlete Registration.

New (Unattached/Attached) Coaches should use the online form for their Non-Athlete Registration

Attached Renewing Coaches should contact their club registrar to obtain their Coach Renewal Form.

Please note that non-athlete credentials will not be sent by the PVS Registrar. Coaches are asked to either print a copy of their non-athlete credentials from their USA Swimming account or have Deck Pass available for review by the Meet, Deck, or Admin Referee at a swim meet.

What do you want to see on the Coaches page of the PVS website?

We are asking for your opinion on what you would like to see on the Coaches Corner page of the PVS website.

Throughout the 2015-2016 season, we will be sending out quick 10 question surveys to help guide changes to the page and to receive feedback about those changes.

I didn't know that was a rule...

Have you ever had a swimmer disqualified for something you did not know was a rule?

Consider attending one of the PVS Stroke & Turn Officials training classes to learn what specific things officials are watching for in each stroke.

The view that a stroke & turn official has can be very different than the view that a coach has of a swimmer at a swim meet.

The schedule of upcoming clinics is available on the PVS website.

Currently, there are two PVS Coaches who are also Stroke & Turn officials. If you are from a small club, then attending a stroke & turn clinic could be used to encourage more of your parents to attend and become PVS officials.
