# Potomac Valley Swimming <br> 2012-2013 Budget <br> Significant Notes 

## General Notes

1. The budget as presented below was reviewed and endorsed by the PVS Board of Directors at their meeting of April 16, 2012. Several clear errors were correct
2. The originally approved 2011-2012 budget anticipated a year-end surplus of $\$ 3,775$. Current projections indicate a surplus of $\$ 14,954$. The 2012-2013 proposed budget anticipates a surplus of $\$ 20,967$.
3. The proposed 2012-2013 budget includes a $\$ 2.00$ entry fee increase for the PVS $14 \& U$ JOs, SC and LC Jr. \& Sr. Champs and LC AG Champs. These increases are in anticipation of holding the 2013 14\&U JOs and 2013 LC AG Champs at the University of Maryland rather than at Fairland. Except for these entry fee increases and a USA Swimming \$1.00 registration fee increase, the 2012-2013 budget anticipates no other changes in PVS fees.
4. Based on the budgets presented below, the PVS financial reserve ratios are projected to be:

As of 8/31/2012-74\%
As of 8/31/2013-76\%
The reserve ratio is calculated by dividing PVS's cash balances by annual expenses after deducting non-cash expenses. The target range for the reserve ratio is between $75 \%$ and $125 \%$ of annual operating expenses. As the above ratios show, at the end of 2012 the reserve ratio is expected to be slightly below the target range. At the end of 2013, the reserve ratio is projected to be at the low end but within the target range. It should be noted that changes in the reserve ratio has been driven by increases in expenses, not significant reductions in PVS's cash position. As the attached table demonstrates, the organization's cash position has remained relatively stable over the 6 years presented with a low of $\$ 618,614$ at the end of 2011 , a high of $\$ 678,595$ at the end of 2009 with an average of $\$ 653,018$.

## Capitalized Equipment

1. The 2011-2012 budget contains an earmark of $\$ 25,000$ for capitalized equipment purchases. As of March 31, 2012, $\$ 12,156$ of this amount has been spent for the purchase of 1078 " touchpads and 3 cable harness sets. The remaining amount available to be spent for the current year is $\$ 12,844$. It is recommended that $\$ 25,000$ be earmarked for capital equipment purchases in 2012-2013.
2. Depreciation expense in 2011-2012 and 2012-2013 in the budgets presented below assumes that the $\$ 25,000$ earmarks will be approved and spent. Capitalized equipment is depreciated over a 3 year period using a straight line method. As such $1 / 36^{\text {th }}$ of the price of any piece of new equipment is expensed every month for 3 years. This expense is reflected in the accumulated depreciation numbers shown in the budgets below.

## Projected 2011-2012

## Revenue

1. Membership - PVS year-around athlete membership is expected to grow by 473 in 2012 . This increase will generate an additional \$12,771 in net PVS registration revenue.
2. Club Meet Splash Fees - Due to a large increase in club meet entries, revenue from splash fees will exceed the approved budget by $\$ 13,138$.
3. Zone Teams Revenue - Lower Spring Zones revenue due to fewer athletes then budgeted on the team offset by a $\$ 25.00$ increase in the athlete fee. Higher Summer Zones revenue due to the expectation of more athletes electing to attend the meet due to its location in Richmond, Va.

## Expenses

1. Pool Rentals - Pool rentals will be under budget by $\$ 19,935$ due primarily to several meets where the pool rental cost was significantly lower than expected.
2. Zone Team Expenses - Higher 2012 Summer Zones cost attributable to greater athlete participation in the meet than budgeted and the associated need for more buses, hotel rooms, coaches and catering. Hotel costs will be $24 \%$ higher in Richmond for the 2012 summer zones compared to Penn. State for the 2011 summer zones.
3. Athlete Travel Grants - The anticipated 2011-2012 athlete travel grant budget was modified to reflect changes in potential participation in the upcoming USA Olympic Trials. The initial budget was for $\$ 16,000$ which would cover 20 athletes at $\$ 800$ each. Based on the number of PVS athletes who have qualified for Trials, the number of athletes has been increased to 35 resulting in an anticipated expense of $\$ 28,000$. Additionally, according to the USA Swimming schedule, there will not be a summer Nationals in 2012. This meet appears to have been replaced with a US Open Meet. Athlete travel grants have therefore been adjusted to remove \$8,100 from Nationals and add \$5,000 for the US Open.
4. Payroll \& Contractor Services - 2011-2012 expenses are anticipated to be $\$ 19,957$ higher than budgeted due to staff increases.
5. Aquatic Sports Convention - Actual expenses for the 2011 convention were $\$ 4,507$ less than budgeted due to fewer attendees and lower cost for the Jacksonville Florida location.

## Projected 2012-2013

## Revenue

1. Membership - PVS Year-around athlete membership is expected to grow by 400 in 2013. This estimate is consistent with growth in previous years following the Olympics. This increase will generate an additional $\$ 10,800$ in net PVS registration revenue.
2. Registration Fees - USA Swimming registration fees for 2013 registrations will increase by $\$ 1.00$ for athletes, $\$ 1.00$ for non-athletes and $\$ 2.50$ for family memberships. No increase in the PVS portion of the registration fees is contemplated.
3. PVS Meets - Increased entry fee revenue of $\$ 40,850$ due primarily to increases of $\$ 2.00$ per individual event and $\$ 2.00$ per relay event for $14 \&$ U JOs, Jr. \& Sr. Champs and LC AG Champs to offset the higher pool rental cost of holding the 2013 JOs and 2013 LC AG Champs at the University of Md. rather than at the Fairland Aquatic Center.
4. Financial Income - Declines in 2012-2013 due to continuing low interest rates and maturity of PVS's one remaining higher interest rate CD in June 2012.
5. Swimposium - Anticipates revenue of $\$ 6,250$ based on 250 participants and a $\$ 25.00$ admission fee.

## Expenses

1. Pool Rentals - Higher pool rental costs in 2012-2013 attributable to moving the 2013 14\&U JOs and 2013 LC AG Champs meets from Fairland Aquatic Center to the University of Md. This change increases pool rental costs by approximately $\$ 30,000$. Pool rental costs are projected to increase $2.5 \%$ due to general inflationary price increases imposed by pool operators.
2. Swimposium - Expenses for Swimposium include funding for facility rental, post card mailer to all PVS families, catering, coordinator fee and miscellaneous expenses. The net PVS subsidy budgeted for the event is $\$ 18,150$.
3. Athlete Travel Grants - The 2012-2013 budget has been adjusted from 2011-2012 to eliminate the 2012 US Olympic Trials and 2012 US Open and re-introduce the 2013 Summer Nationals meet.
4. Payroll \& Contractor Services - Includes an earmark for possible salary \& contractor fee increases of 3.5\%.
