

## Potomac Valley Safe Sport Chair Report – Greg York

It has been an interesting year in PVS for safe sport. We continue to reach out at our meetings to talk about education for not only coaches but also parents & athletes. Our safe sport parents video has had a total of 409 watches putting us first in the country. Our athletes video has 57 watches putting us 10th in the country, neither number is great considering the size of our LSC. A safe sport evaluation was released last Jan & can be found on the USA swimming website. There will be handouts available at our HOD meeting please take the time to read them.
