

Potomac Valley Swimming Safety Chair

Report of May 2014

The PVS Safety Committee currently consists of one (1) appointed member(s)

- Planning and conducting the overall safety program
- Monitoring the overall quality of Safety of Venues, Clubs, Events and other functions
- Maintaining liaison with Zone and National level safety organs
- Advise the General Chair, the Board of Directors, and the House of Delegates of new issues under the scope of safety

Report of Occurrence (ROO)

- Have remained relatively consistent within PVS; more “online” reports are being filed. Increased emphasis on non-Meet reports will continue but have shown a marked increase in submission rates
- Education on the purpose of Reports Of Occurrence beyond injuries will continue

Significant Changes in Planning

- Emergency Notification Procedures
- Evacuation/shelter in place policy development
- Marshal training upgrade has been spotty but an improving trend has become evident

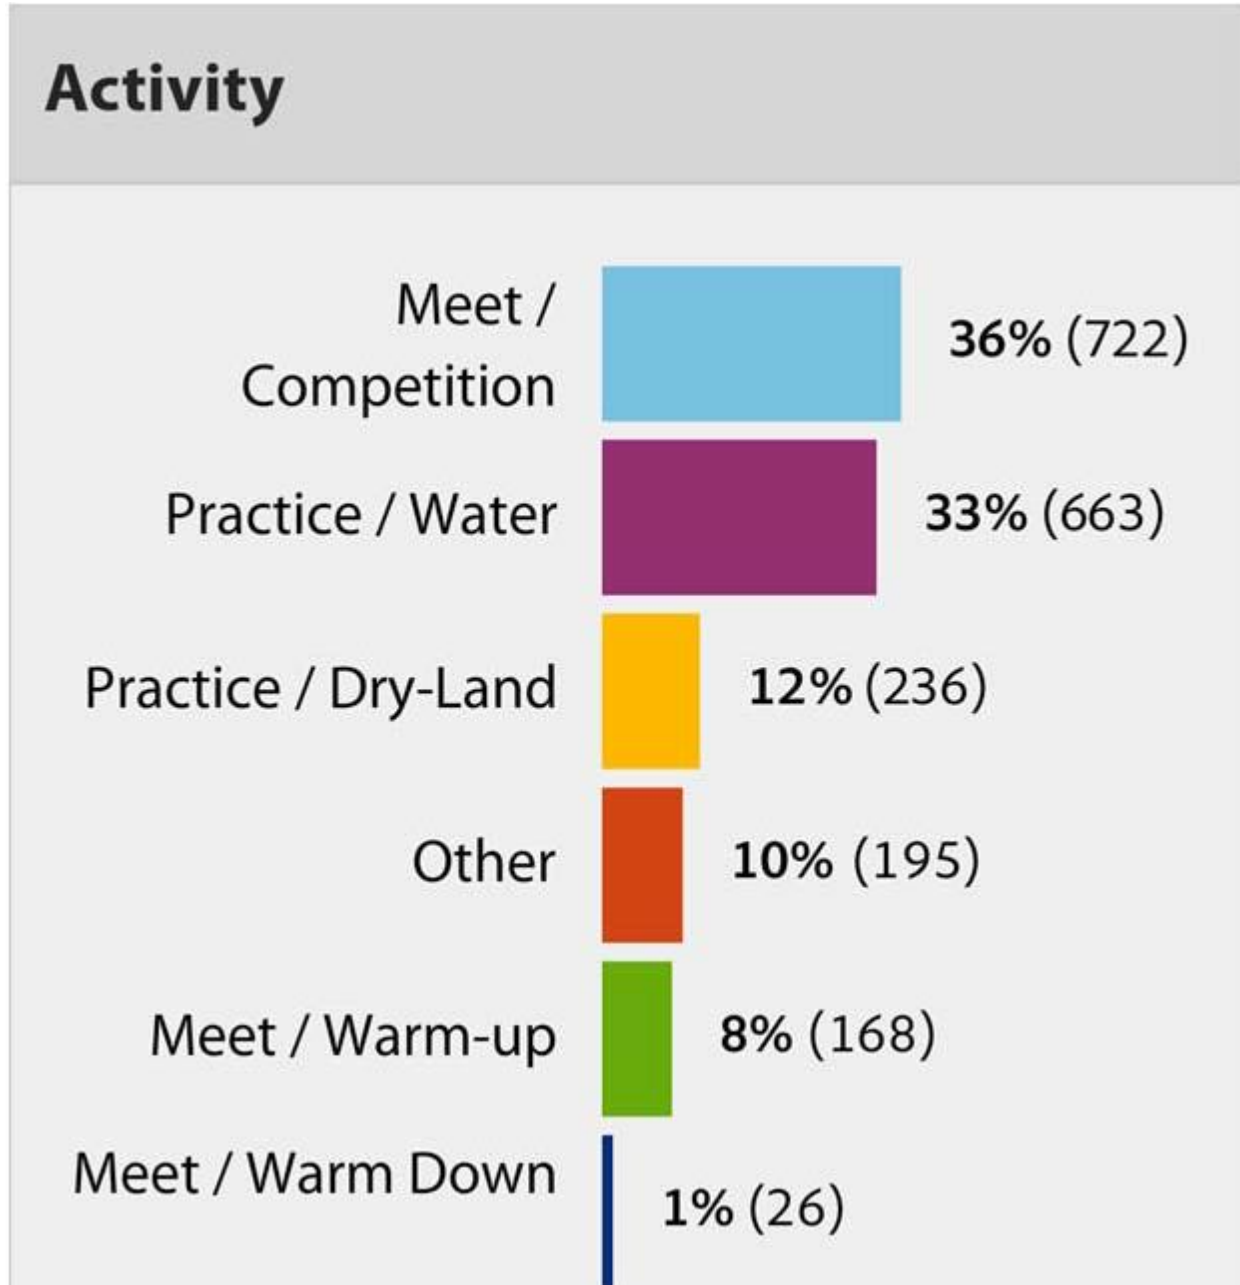

Please remember: although the Safety Committee has no appointed members each member of PVS is a committee member
