

Operations Division Report
PVS House of Delegates Meeting
May 2016

Officials Committee

- The PVS Officials Chair, Tim Husson, has submitted a separate report on the status of officials in the LSC.
- Thanks to the PVS Officials for the thousands of volunteer hours they have provided in the past year to enable the extensive competition schedule in PVS.

Safety Committee

- The PVS Safety Committee Chair, Kurt Thiel, has submitted a separate report.

Technical Committee

- The PVS Technical Committee Chair, Jim Thompson, has submitted a separate report.

Equipment

- The PVS Equipment Manager, Carrie Tupper, moved to Connecticut this year. We thank her for the excellent service she provided to Potomac Valley and wish her well in her new location. Our new Equipment Manager, Chris Whipple, will continue the same level of service.
- Most of the equipment expense the past year has been for minor repairs. I expect to have to buy some new touchpads and other equipment in the coming year.
- PVS now has enough working equipment to support a short course four-meet weekend (i.e. November Open) or a long course two-meet weekend (i.e PVS LC Open).
- I worked with Fairland Aquatics Center to make sure their equipment was set up and configured properly. I anticipate having to continue helping/training them so their equipment can support PVS meets.
