

Bob Vincent earned an Education degree at the University of South Carolina and taught for a short time in Virginia Public Schools. A strong desire to enter the business world, however, compelled him to leave teaching and pursue a new career as a businessman. He opened a Domino's Pizza franchise that soon ranked in the top 2% of sales, worldwide. His passion for the discipline of management led to the pursuit and attainment of a Master's Degree in General Administration from the University of Maryland University College.

After selling his successful Domino's franchise, he joined VW International (VWI) in 1993 and has since served in many roles, including Project Manager, Controller, Vice President, Chief Financial Officer and Executive Vice President. In July of 2007, Bob became the President and Chief Executive Officer of VWI. Since that time VWI has grown from seventeen million dollars in revenue to almost forty million. In July of 2009 he became the majority stock holder.

Bob has also served the swimming community in many roles. He served at the club level as a Board Member, Vice President and President of OCCS. He currently serves on the Official's Committee and the Audit Committee for the Potomac Valley Swimming Board of Directors.

He has participated in multiple USAS SWIMPOSIUM clinics (both parent and officials tracks), the USAS National Officials Clinic, as well as the USAS National Convention, where he attended workshops and clinics on auditing, budgeting, and investment management for LSCs.

Bob believes that our job as parent volunteers is to provide support in areas that augment the coach's leadership within the LSC. This means providing facts and options that allow the Board of Directors and House of Delegates the ability to make decisions that are good for the organization. If given the opportunity to serve as Treasurer of PVS, Bob's focus would be on providing the maximum support to our swimmers and coaches, as well as the fiduciary responsibility of working with the Controller and Executive Director to provide a balanced budget and a sound financial plan to the House of Delegates.

Bob is married to Erin and has two daughters that both swim. Taylor is a sophomore in high school and Mandy is a freshman at TCU.
