

Potomac Valley Swimming  
General Chairman  
2011-2013

J. Riley Eaton

I have been a coach in the Potomac Valley Swimming LSC for the past 30 plus years. Most of that with the Rockville Montgomery Swim Club. During the past 4 years I have served as a Board member to PVS as Senior Chair. In addition to serving on the PVS Board of Directors I have been a member of the Board for the National Club Swimming Association for more than 8 years.

Outside of the swimming arena I taught in the Prince Georges County Public School system for 30 years as a history teacher in secondary schools. I hold a Master's Degree in secondary school administration. I am married, have one son who lives and works in Los Angeles.

As General Chair I would hope to maintain PVS's position within USA Swimming as one of the premier LSC's in the country. As an organization we will be faced with a number of both new and current issues that will effect Potomac Valley Swimming. I feel my experience as a coach, educator and member of the Board of PVS provides me the ability to lead PVS.

As an organization PVS will need to further it's efforts in attracting new members, seeking athletes from our non traditional bases. We need to insure equal opportunities to participate for all athletes. Financially, we must grow with the purpose of supporting the organization's Mission and Vision statements. We must strive to maintain growth with economy. As our athlete population grows PVS must work to continue to have a fair and equitable working relationships with neighboring LSC's. Most importantly PVS must insure the safety of our athletes.

If elected, it will be my personal goal to continue the positive work of past General Chairs, I will work to continue the growth of the organization through development of programs that are based in the support of our Mission and Vision Statements.

Thank you for the opportunity to serve Potomac Valley Swimming.
