

Officials' Report  
December 19, 2012

- Changes have been made to PVS Officials certification procedures including: on-line notification to certification officer of recertification requests, referee and starter sessions at OQM's now being acceptable for recert if they don't comprise more than half of the required recert sessions, and officials with expired certification may requalify using recert procedures.
- Requirements have been established for PVS Admin Official certification with Hy-Tek certification as a prerequisite. An Admin Official training program is being developed.
- A new, concise Officials roster is posted on-line.
- Referees will be instructed to include any deck-changing incidents in the Session Reports.
- An updated Timers' briefing, in a more conversational style, is now posted on the PVS website.
- A 4<sup>th</sup> set of radios were purchased to support PVS meets and are being stored at UMD

Respectfully submitted,
